This agreement is entered between Le Pooch Chateau, LLC (hereinafter referred to as "LPC") and the pet owner or designee whose signature appears below (hereinafter referred to as "Owner"). The term "pet" refers to all pets boarding with the same ownership.

Owner specifically represents that he/she is the owner of the above-named pet(s) or has been authorized by the Owner of the pet to enter into this agreement as Owner's designee.

Owner agrees to pay \$_____ per night. (Fees based on # of nights and # of pets). ****PLEASE NOTE: Fees subject to change on Holidays and for 24 hour care**.**

A minimum deposit of one night's stay will be required for reservations of 7 days or more and holidays. Owner understands that any changes or cancellations with less than 72 hours' notice will incur a fee. Owner further agrees that the pet shall not leave the boarding facility until all charges are paid in full to LPC on the specified day/time of check-out. Established check-in and check-out times are agreed upon within this agreement.

LPC reserves the right to refuse to board if: (1) Owner cannot show proof of the following vaccines: Rabies, Distemper, and Bordatella. (2) Pet is not spayed or neutered (unless 25lbs or under). (3) Pet appears aggressive, hard to handle, or destructive. (4) Pet appears frail or is aged. (5) Pet has behavior problems deemed a safety risk to staff or other boarded dogs. (6) Puppies are under 4 months old.

Owner confirms by signing this agreement that boarded pet does not have fleas and has been treated with flea/tick prevention prior to stay. Owner states by signing this agreement if boarded pet shows flea infestation at time of check-out, LPC is not responsible. It would be, therefore, obvious Owner did not apply any flea prevention, tick or other, as is his/her responsibility and LPC is held harmless.

Owner releases LPC from and waives all claims and liability against LPC for all losses, damages, costs, and expenses arising out of or in connection with any medical condition or injury suddenly arising and deemed unrelated to boarding confinement and in accordance with agreement instructions as to interaction with other pets.

EMERGENCY PROCEDURES:

If a life-threatening illness/injury occurs, LPC will proceed as follows:

- Immediately contact Owner or Designee at emergency contact numbers provided herein. If Owner will be out of the state, **Owner MUST provide a local emergency contact number**
- If Owner or Designee is available for pick-up, Owner agrees to make immediate arrangements to do so
- LPC is not responsible for pet's medical condition once the pet has left the boarding facility. Payment in full is expected for the length of stay prior to pick-up
- If Owner or all Designees are not reachable, LPC will act as 3rd party designee and contact the designated emergency Animal Hospital: Oradel Animal Hospital, 580 Winters Ave, Paramus NJ; or any other local veterinary hospital open at such time of emergency.
- All related expenses for transport and any vet services will be an additional expense to Owner and not the responsibility of LPC. No pet will be held at LPC facility for any length of time once an emergency has been established. It is LPC's policy to tend to all emergencies in an expedient manner for the safety of the boarded animal.

PET ABANDONMENT:

Owner understands that if a pet is not picked up within FIVE (5) calendar days after their scheduled pick-up date, pet shall be deemed abandoned. After exhausting all possible means of contacting Owner or Owner's Designee, LPC will take appropriate measures to remove said abandoned pet from the boarding facility and it is the Owner's responsibility to reclaim said pet from an assigned holding facility. Owner holds LPC harmless against any claims arising from such abandonment.
